

**PERMISSION FOR STUDENT TO BE SUPPORTED
BY THE SCHOOL COUNSELLOR 2024**

Dear Parents / Carers

The Department of Education provides school counsellors to assist students by providing psychological counselling, assessment and intervention services. To ensure your child continues to receive the level of support they need at school their progress may be reviewed by the school counsellor. The school counsellor may need to access reports for your child to assist them with their assessment.

You will be contacted by our counsellor Fiona Bergin or Meenu Kumar to discuss any support, intervention or assessment needed.

If you have any questions, please contact the school.

Yours Sincerely

Nicole Parker
Principal
