

## PERMISSION FOR STUDENT TO BE SUPPORTED BY THE SCHOOL COUNSELLOR 2020

Dear Parents / Carers

The Department of Education provides school counsellors to assist students with a particular need. To ensure your child continues to receive the level of support he/she needs at school his/her progress is routinely reviewed by the school counsellor. The school counsellor may need to access reports for your child to assist them with their assessment.

You will be contacted by one of our counsellors; Troy Toshack or Isobel Burchett, to discuss any assessment that is needed.

If you have any questions or if you wish to make an appointment contact the principal to discuss this further.

Yours Sincerely

Mariane Youness Wood  
Principal
