

## SCHOOL CONTRIBUTIONS 2020

Dear Parents & Caregivers,

2020 Subject and Voluntary contributions are now due **\$100.00** for the full year.

### **\$80 Mandatory Subject fees and \$20 Voluntary contribution**

This money supports school programs and activities in providing class resources and facilities beyond those provided by the Department of Education. In recent years, contributions have helped provide individual daily living skills programs, student resources, communication devices and ICT.

Yours sincerely

Mariane Youness Wood  
Principal
